RELIVE OUR FIRST UNECC-UNICA WEBINAR!

The first online event of our webinar series titled UniverCities and Culture on 17 November 2021 was recorded and now you can watch it on Youtube!

The first webinar spotlighted the theme of digitalization, culture and art. Around 50 participants took part on Zoom platform. Both organizations rated it as a particularly valuable and exciting event and hope to co-organize a new webinar in spring next year. Now, as a Christmas gift, we are presenting the video recording to our newsletter readers! Those who missed it, or those who would like to relive the webinar, [please click here to watch the Youtube video!](#) The brief report by President Flora Carriijn can be read here:

INTERVIEW WITH PROFESSOR DR GLEN FARRUGIA

UNeECC Interview series with Board members

We are launching a new series of interviews with members of the UNeECC Board to learn more about their everyday life and work, and their contributions to the UNECC. We interviewed Professor Dr Glen Farrugia first, who recently became a member of the UNeECC

Board. Learn more about his interests, daily routine, hobbies and favourite menu, and what ECoC means to him.

UNIVERSITY OF THE MONTH - KU LEUVEN

Every month we are introducing one of the university members of UNeCC to learn more about their mission, academic activities, reserach fields and projects.

This time we take a closer look at **KU Leuven**, home to Prof. Flora Carrijn, President of the UNeECC. She is the academic director KU Leuven Antwerp Campus and Managing director of Flanders Business School.
